##### ➤ Additional Information

- You must pay for your pool membership before you can register for swim team.
- Swimmers will be accepted on a first come first serve basis. The team will be capped at 180 swimmers.
- You must have completed and signed a Registration form and a signed Code of Conduct (one per each swimmer) form, along with the appropriate registration fees. If you do

not have a signed Code of Conduct form on file, the league will not let your child swim.

- Swimmers are no longer required to tryout in order to make the team. However, it will be up to the coaching staff after the first week of practice if they continue to stay on the team. See minimum requirements section of this document for further information.
- If you register your child and after the first week they are removed from the team, you will get a refund for the registration fee, minus the \$5 SMSL fee. However, you will not get a refund for your swimsuit or apparel. It's up to you as a parent to know if your child meets the minimum swimming requirements.
- If you are unsure if your child will meet the minimum requirements, we will have opportunities for swimmers to be evaluated by a member of the coaching staff. Dates are TBD and will be posted/emailed as soon as we have them.
