Welcome to the Wildewood Pool - Summer Fun for everyone!

Wildewood Pool kicks off its 20th season with some exciting upgrades to the legacy pools! We are all very excited about the new elements, committed to a seamless transition and anticipating tons of fun for everyone! The variety of pools in the complex provide members with many options for fun for all ages. There are swim lessons, morning adult swims, an awesome swim team, fun with the kids splashing around under the helicopter, a leisurely dip, or just taking in the sun. There is also a tot play area adjacent to a separate fenced pool for the little swimmers. Don't forget you can rent the pavilion for special occasions, and the pool is also available for rental for evening parties. More detailed information is available on the pool website.

We would like to also welcome all new and returning members! We are also happy to welcome back Mike McCabe, for his 5th season as pool manager, as well as our stellar staff. They did a great job last season and we are looking forward to seeing them again, as well as welcoming all new staff members. On behalf of the WCA pool staff, we hope you have a safe and enjoyable summertime experience!

Membership - Access Card System

WCA photo ID cards are issued to each Recreational Facilities family member and will permit access to the recreational facilities. Please visit us at www.wildewoodcommunitypool.com to download your membership forms and view all of the announcements and schedules for the 2017 season. Access cards will not be issued at the pool, and will need to be processed by appointment at the WCA Office located at the Lodge during normal office hours for the remainder of the year. Please review the new guest policy on page 2 of the newsletter.

Returning Rec Facility Members that do not have any changes to their family status (Personal Information Form), and do not need replacement cards can download the Rec Facility Membership form and mail it to (with payment for Elective members), or drop it off at the Lodge. You will not need to make an appointment. Elective members cards will be activated for pool and tennis court use upon receipt of payment.

If you are registering for the first time, or you need to replace a lost card, please schedule your appointment as soon as possible before the season begins. We encourage you to make an appointment for membership registration and to receive your access cards in an effort to effectively manage the time for WCA members and staff. The fee for replacement cards is \$7.00 per card. Membership and access card processing are completed at the Lodge only.

More details for new members are on page 2 of the newsletter.

The following describes the types of membership and the new protocol for card access:

1. Recreational Facilities Automatic Members are WCA members who belong to a WCA homeowners association where their Recreational Facilities fees are automatically collected with their individual HOA fees. Members with current WCA photo IDs will be automatically registered in the system for access to all Recreational Facilities. Members who do not have an access card will need to come to the lodge for card registration and issue.
2. Recreational Facilities Elective Members are WCA members who belong to a WCA homeowners association that provides for elective Recreational Facilities membership. The basic WCA general membership provides the member the ability to utilize the Lodge with a WCA photo ID access card. If an elective member would like to enjoy the tennis courts, pool, and enhanced lodge benefits, they will need to register as an Elective Recreational Facilities member and pay the annual Recreational Facilities fee. The 2017 fee remains at \$400.00.
3. Non-WCA Pool Memberships
The WCA will continue to offer pool membership to non-WCA members for the 2017 pool season. Pool members will be required to pay the annual pool fee and register for a photo ID access card. The pool membership does not include access to the lodge or the tennis courts. The pool access cards will be activated upon receipt of payment and will be deactivated at the end of the pool season for the year. The Non-WCA member pool membership fee for 2017 is \$600.00.

Please have all forms completed, proof of residence, tenant authorization (if new member or tenant), and payment to the WCA completed prior to your scheduled appointment. Pictures for the identification access cards will be taken at the time of appointment. Walk in registrations will not be accepted. You may pick up your access card three (3) business days after your appointment. Children ages 6 and older will receive photo identification access cards. Children under the age of 6 will receive a card with their name only.

GUEST POLICY: Please take a moment and review the guest policy rules. This applies to all members, including the Non-WCA pool members. The rules are as follows:

- a. Each Membership will receive five free guest passes at the beginning of the summer. Guest passes will be in the form of tickets which can be obtained at the WCA Office (Lodge). Lost passes will not be reissued. The passes will only be issued during normal WCA officer operating hours.
- b. Guests 2 years of age and younger will be admitted for free.
- c. Each membership is limited to six (6) guests per day unless approved by the pool manager on duty.
- d. A guest cannot be granted access no more than ten (10) times during a season unless approved by the head pool manager.

If you have any questions regarding these policies, please do not hesitate to contact the WCA office. If possible, please make arrangements to pick up your guest passes prior to the pool season to avoid any delay in receiving your passes. Passes will not be issued at the pool at any time.

Swim Team - Registration begins at the Open House on (May 6th and 7th), and the deadline to register is June 10th. Registration is now done on-line. The registration fee is \$95.00 per swimmer. Please visit the pool website for important pre-season information, team suit order forms and general information. You may contact the swim team representatives by email wildewoodmarlins@gmail.com for more information. Please note the pool will close at 4 p.m. for home meets on approximately 5 during the season dates that have yet to be determined. The calendar will be updated upon receipt of this information.

Swim Lessons - Session dates and times will be available for viewing on the web site in May. The rates are \$60.00 per child for Group Lessons, and \$20 per child for half hour private lessons. Please email your inquiries to the pool for more information.

Birthday and Evening Parties – The pool pavilion may be rented in four hour increments between 12:00 p.m. and 8:00 p.m., for a fee of \$60.00. Evening party rates vary depending on the number of members in your party. Please contact the pool directly to make reservations for your pool event.

PLEASE ENJOY A SUNNY AND SAFE SEASON HERE AT WILDEWOOD!
